

## Letter of Certification

This letter serves to cover pigs marketed by or through \_\_\_\_\_  
to Indiana Packers Corporation. *(Farm Name)*

I hereby certify to the best of my knowledge the following good production practices were observed while the pigs were under my/our control:

All medications were used in accordance with the stated label requirements or as per the recommendations of a veterinarian.

None of the pigs marketed to IPC are carrying a broken needle.

In the event that pigs are derived from cloned animals or the offspring of cloned animals; they will be identified to IPC prior delivery for slaughter.
